San Diego Ski Club Council's Man And Woman Of The Year

WINTER GALA 2006 Saturday, November 18, 2006

To: Club 2006-07 Men & Women of the Year

From: Cheryl Riess, Man & Woman of the Year Coordinator

Date: November 18, 2006

Location: Courtyard Marriott, 8651 Spectrum Center Blvd., San Diego, CA 92123

Congratulations on being chosen to represent your club at this year's

San Diego Ski Club Council's Man & Woman of the Year competition to be held at the 2006 Winter Gala. Your club has submitted your Entrant application and fee (but not for your significant other).

The judging will cover participation for 2003-2006 and will be scored as follows:

Resume 60% You will be judged for Snow Sports-related contributions.

More than 50% of your score comes from Club participation and honors.

- Club
- League, SD Council, FWSA, National and Community
- Honors and Awards received
- Knowledge of Public Affairs

Primary

Interview

30% You will be judged on your answers to approximately 6 questions asked by the judges at Cheryl Riess's home on **November 9, 2006**. (8621 Onalaska Ave., 92123)

Final

Interview

10% In the evening of the Gala you will be asked a ski-related situation question. You will be judged for:

- **Communication Skills** – How you say it (Voice, Vocabulary, Body Language, Humor, etc.).
- **Response to Question** – What you say (Content and appropriate response to question).
- **Appearance** – Appropriate dress & grooming.
- Put your name on the top of all pages.
- When completing your resume, please include only significant contributions. For instance, it is not necessarily significant that you tell us you handed out food at a picnic, but if you were an organizer of that picnic, or organizer of a significant part of it, that would be more substantial.
- If you did the same thing in several years, please combine them on one

line. Also, it will help you meet the next requirement.

- The resume form consists of two pages. Please do not add more than two additional pages to your resume.
- You must follow the resume outline headings, but you can change the allocated spacing.
- Your input to the resume should be indented so that your accomplishments will be easy to read.
